

## **Mt Geryon** (for Dad and Cathy, Dec 2023) Bush/country dance by David Wanless.

3 couple longways set. In memory of John Wanless, early climber of Mt Geryon, and wonderful bushwalk with Cathy in Dec 2023. Three couples represent the three peaks of Mt Geryon, which featured in the skyline and in our thoughts when we visited Pine Valley, the Acropolis, the Labyrinth, and finally completed the Overland Track.
